Prices for most journals which are published in both printed and electronic versions or printed version only include shipping charges. Customers from European Union countries must provide their VAT identification number if they do not pay VAT.

* Please note that individuals subscription rates are available to those members of institutes who can prove that their institute has already a full-price

** Please note that students subscription rates are available on required presentation of attendance attestation at school or university, institutional subscription.

Various options available: for any multi-sites and consortia quote, full collection package, license request, please contact: subscribers@edpsciences.org

Price List in US\$ available for clients in the USA and China : see "Librarian/Institutional Information section" at <https://www.edpsciences.org>

Prices listed above are for 1 site only and less than 10 000 FTE

Detailed information on access policy, registration, license agreement, etc., are available at <https://www.edpsciences.org>
Please do not forget to provide us with your annual license and IP addresses.

S2O - Subscribe to Open is one of the transformative models that aim to move subscription journals to Open Access (OA). S2O does this by maintaining the existing customer and subscriber relationships that know and value the contents of a journal with little effort and no additional costs. These Institutions are asked to subscribe as usual, and as long as EDP Sciences receive the expected subscription income, then the current volume will be made available to all in fully open access.
